**Alfred Lee Carroll Memorial Scholarship
Administered by: Benton City Water Supply Corporation**

History of Scholarship:

Alfred Lee Carroll grew up in Lytle, Texas, graduated from Lytle High School and was a member of the Texas Air Guard. Mr. Carroll married a Devine Warhorse, Catherine Brennin-Carroll and they had three children. They lived on the Carroll Farm, where Mr. Carroll farmed and ranched for his entire adult life. He loved giving back to his community and spent many years on the Lytle ISD school board.

In addition, Mr. Carroll served on the Board of Directors for Benton City Water Supply for fourteen years and was Board President for 8 years. Mr. Carroll was with Benton City Water Supply as the corporation grew from a small water supplier, serving 500 customers to now over 7,000 customers in an area of 500 square miles, which include Medina, Frio, and Atascosa Counties.

Benton City Water Supply established this scholarship to honor Alfred Lee Carroll's continued support of the surrounding communities and their students.
